Resident of the Month Jean Harris (Mary)

Jean was born in Ninnekah, Oklahoma to Luther and Della Marbut. She was the first girl in a family of five children, two boys and three girls. Her little sister JoAnn, died at three years of age, succumbing to the flu. She grew up in the Cement, Oklahoma area and attended grade school and part of high school there.

Jean met her future husband, Claude Harris, when her big brother, Bill, took her along to visit his girlfriend, Edith. Claude was at the house visiting the family at the time with some of his family. Apparently, they hit it off, because they wrote to each other while he was in the U.S. Army.

The Marbut family moved to a home on an oil lease in Greenwood County, Kansas near Madison, Jean finished school at Madison High School, graduating in May of 1953. On December 16, 1953. Jean and Claude married and made their home in Emporia, where they raised two children.

Jean was a home maker and enjoyed raising a vegetable garden, fishing and reading books. She also sang and played the guitar. Jean has always been a good artist and after high school, she enrolled in the American Art Institute and completed the course.

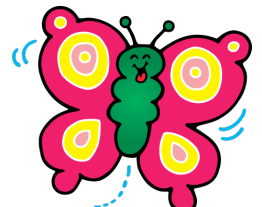

Jean always made the holidays special for her family with her cooking and honoring of the holiday. She was an excellent cook and made great cakes and bread.

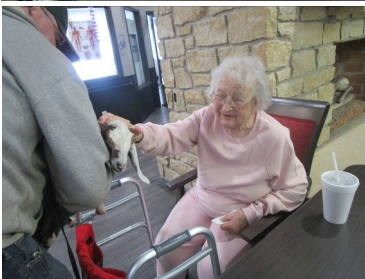

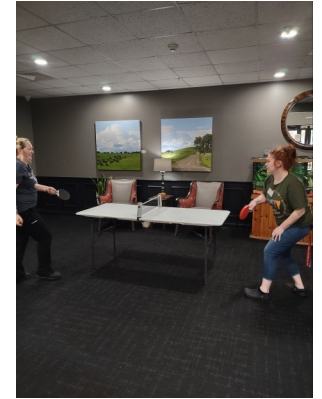

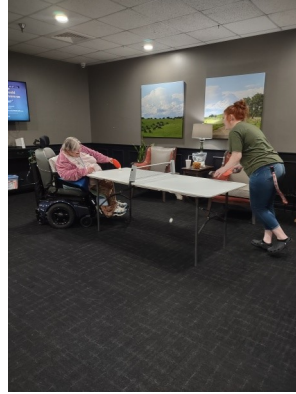

She has two grandchildren and one great grandson. She is well loved by her family and grandchildren.
